for cell phone
Didn't know current cost
Could be better
Emphatic not satisfied
Emphatic Yes to better and continue
Will the service be cheaper and faster?
Emphatic yes to better and pursue
only want to pursue if all of Vienna will have access; also uses cell, big \$ for cell plan, also uses cell
Speedtest - 2.99 mbps down; .92 up; also uses cell
Emphatic not satisfied, better
Cost includes basic phone
Emphatic dissat; better
Costs Too much - it's on the phone bill
not sure on cost - bundled w/landline
Doesn't have it but wants better for those who want it
Doesn't have inet; doesn't want if for themselves; Does favor pursue
Service is marginal at best; If private companies cant make it work the town certainly won't equitably either. Believes const and ongoing would increase the taxes.
No money for it; a luxury
Does use cell phone (Can't get any other net access);
Emphatic dissat;better;favor pursuit
Did not answer the satisfied question - but does want better and favors pursuit
Jetpack
Doesn't have it;doesn't want it, doesn't care if town pursues
Hotspot NDEC
Please continue your good work
Sometimes satisfied
Also uses cell
Starlink - what's the cost to the taxpayer?
Bundle deal doesn't know breakdown
part of \$165 phone bill
Starlink, comment that wants for neighbors, they prob won't switch
GO TOM GO
includes phone
Yes, that's \$95!
can't get it (anything better than cell)
with phone
NO! YES!
Cell phone bill?
What effect on phone?
YES!

Too slow - way too much
(dish) really sucks
Leave well enough alone
incl land line
better; pursue YES !!
16 mbps
Reply card didn't show type - I guessed based on cost
had dialup, too slow; fairpoint was costing \$50
could be employed with broadband
expensive, retired, don't really need faster, not a heavy user >they should pay for upgrade
work from home, about to lose job due to poor service
bundled, ll cost 70, bill total 115
too expensive; prefer community solar
part of phone plan
not reliable
